Subject: Vector Control Task Force (Harvey)
Date: Tuesday, September 5, 2017 9:05:38 AM

Whitney: just in case you did not catch it during yesterday's vector control task force teleconference, I am representing EPA (Region 6). If at any time you need any specific consultation on pesticides, pesticide use, environmental & health effects, and/or integrated vector management, please feel free to contact me.

I have copy furnished Leslie Smith, Director, Consumer Service Protection, TDA; and Dr. Janet McAllister CDC's Division of Vector-borne Diseases/Arboviral Diseases Branch as contributors to the discussion.

As always, with warm regards, Ken
